Commissioner for Patents

The reply filed on 7/15/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The response to the obvious type double patenting rejection of claims 37, 41, 42, 43, 46, and 47 over commonly assigned patent US 6,684,943 is inadequate. This is not a provisional rejection; a proper response consists of either amending or canceling the claims to obviate the rejection, arguing why the rejection is improper, or submitting a Terminal Disclaimer. A mere statement that the applicant is "prepared to submit a terminal disclaimer" is insufficient. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
